RS. PINKHAM says that irritability indicates disease. Women who are nervous and snappish are to be pitied. Their homes are uncomfortable; their dispositions grow constantly worse. Such women need the counsel and treatment of a woman who understands the peculiar

troubles of her sex. MRS. ANNA E. HALL, of Mill-EVERY-DAY dale, Conn., was all run down in health and had completely lost TALKS WITH control of her nerves. She wrote WOMEN

to Mrs. Pinkham at Lynn, Mass., for advice. Now she writes: "I wish to thank yon for what your Vegetable Compound has done for me. It has helped me more than anything else. I suffered for a long time with nervousness, pains in back and limbs and falling of the womb; also had nenralgia in my head and could not sleep. I told

my husband that something must be done, for I was nearly frantic with pain. Having read of the wonderful cures; Lydia E. Pinkham's Vegetable Compound had? performed, I determined to try it.
